It is with hope for the future that volunteers give of themselves to make a difference. It is with hope for the cause that we stand with loved ones and friends with autism to enhance lives today and accelerate a spectrum of solutions for tomorrow.

On behalf of Autism Speaks and the 2019 Houston Chef Gala Executive Committee, we wish to welcome you to our Inaugural 2019 gala event slated for Thursday, November 14th at Hotel Derek.

Through combined efforts of members of our gala committee and our patrons who support us, YOU help Autism Speaks to promote solutions, across the spectrum and throughout the life span, for the needs of individuals with autism and their families through advocacy and support; increasing understanding and acceptance of people with autism spectrum disorder; and advancing research into causes and better interventions for autism spectrum disorder and related conditions.

Enclosed you will find this year's Houston Chef Gala Underwriting and Sponsorship packet which will provide detailed information on the many ways you can help Autism Speaks by participating in the Chef Gala. We hope you will join us this year; as we enhance lives today and accelerate a spectrum of solutions for tomorrow.

With our deepest gratitude,
