Dear Delegate,

Enclosed you will find information regarding the Houston Alumnae Panhellenic Scholarships. These scholarships will be awarded at the Scholarship Luncheon held on **May 3, 2012**. The flyer gives general information about qualifications and where to find the application. The application has been updated for this year and is available online at www.houston-panhellenic.org. Scholarships range from \$1,500 to \$4,000 each.

Please send this information to your Alumnae Groups, Parent's/Mother's Clubs, and Undergraduate Chapters, and encourage all your members to support our effort! There are three sample letters included for you to distribute to your collegiate Chapter Presidents, Chapter Advisors, and Parent's/Mother's Clubs.

In addition, all three sample letters are available online at:
<http://www.houston-panhellenic.org/hapf/scholarships.htm>.

- * Ten sororities were represented by the winning applicants.
- * Nine Texas universities were represented by the winners.

- * Twelve of these were repeat winners.

For lists of all the scholarship winners from 1987 through the present, go to:
